Responses to this RFQ must be received via e-mail not later than 06:00 PM Eastern Standard Time (EST) on Sunday, on 3 August 2014.

Oral quotes will not be accepted. Collect calls will not be accepted. Hand delivered quotes will not be accepted. Emailed quotes must be received at the stated addressees' email inboxes on time and the addressees must be able to open the email and all attachments. No other email receipt will be acceptable.

The Government does not accept responsibility for non-receipt of quotes. It is the contractor's responsibility to request and receive confirmation of quote receipt. The Government has limited capability to accept attachments in quotes and requests that contractors limit quotes to no more than 10 pages. All questions regarding this RFQ must be submitted via email.

All firms must be registered and active in the System for Award Management (SAM) database at <https://www.sam.gov/portal/public/SAM/> to be considered for award. All quotes must be directly submitted by the firm registered in SAM that is intended to be the successful awardee. Quote submitted by another firm on behalf of a SAM registered company with the intention of being award "care of" will not be accepted. All quotes must include registered DUNS, CAGE codes, Tax ID, and small business status, and any applicable GSA contract number.

FAR 52.212-1, Instructions to Offerors--Commercial Items applies to this request. Quotes must include information and pricing for CLIN 0001 to be considered for award.

1. Price: Prices must be submitted for CLIN 0001, **including shipping to Guam. Do not include a separate CLIN for shipping costs. Shipping costs must be included within the line items listed. This is an all-or-none request; multiple awards will not be made.**

2. Technical Capability: Specifications including measurements must be included in the quotation.

FAR 52.212-2, Evaluation-Commercial Items applies to this request. Award will be based on lowest price technically acceptable. Award will be made without discussions; however, the Government reserves the right to open discussion anytime during evaluation. Technical acceptability means meeting the minimum specifications listed under CLIN 0001. All quotes will be ranked based on price. Only the lowest priced quote will be evaluated for technical acceptability, unless the lowest priced quote is deemed technically unacceptable. If the lowest quote is deemed technically unacceptable, the next lowest quote will be considered, and so on until an offeror is identified to be technically acceptable.

1. Price: Quotes will be ranked first based on price from high to low. The price evaluation will document the realism, reasonableness, and completeness of the total evaluated price.

(i) Arithmetic Discrepancies. For the purpose of initial evaluation of offers, the following will be utilized in resolving arithmetic discrepancies found on the face of the bidding schedule as submitted by the offeror.

- (A) Obviously misplaced decimal points will be corrected;
- (B) Discrepancy between unit price and extended price, the unit price will govern;
- (C) Apparent errors in extension of unit prices will be corrected;
- (D) Apparent errors in extended prices per CLIN will be corrected.

2. Technical: The lowest offeror will move forward to the technical evaluation. If the lowest priced quote is deemed technically unacceptable, the Government will evaluate the technical

acceptability of the next lowest offeror and so on until an awardee is identified. The award will be made to the lowest evaluated price whose offer is deemed technically acceptable.
