F1COSS4209A001 – WINDOW SHADES
RFI NOTICE 1

QUESTION 1: What are the measurements for the tower windows?

Answer 1: The measurements are approximately 78" x 34".

QUESTION 2: Are the window shades manual roll-up or motorized?

Answer 2: The window shades are MANUAL.

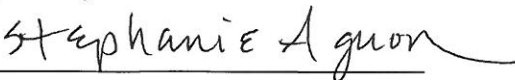

QUESTION 3: What color do you want the shades to be?

Answer 3: The shades are STANDARD COLOR.

QUESTION 4: May we schedule a site visit to survey the tower windows?

Answer 4: The site visit is scheduled for Wednesday, 27 August 2014 at 0900. Any potential offeror interested in attending the site visit must RSVP via e-mail to receive additional instructions/directions. Any potential offeror who plans to attend the site visit but does not have base access, must coordinate no later than one day prior to visit. We are limited to two employees per potential offeror.
