NAVAL FACILITIES ENGINEERING COMMAND MARIANAS  
PSC 455, BOX 195  
FPO AP 96540-2937

DATE: 20 June 2016

I. This is a combined synopsis/solicitation for commercial items prepared in accordance with the format in FAR Subpart 12.6 and the procedures of FAR Part 13 will be used in this particular acquisition, as supplemented with additional information included in this notice. This announcement constitutes the only solicitation; quotes are being requested and a written solicitation will not be issued.

II. This solicitation is issued as a Request for Quotation (RFQ), solicitation number N40192-16-Q-7028.

III. The solicitation document and incorporated provisions and clauses are those in effect through Federal Acquisition Circular FAC 2005-87 effective dated 7 March 2016.

IV. This acquisition is set aside 100% for small businesses. The North American Industrial Classification System (NAICS) code is 333112 and the small business size standard is 1,500 employees.

V. Potential offerors are to quote on the following Contract Line Item:

The government intends to award a firm-fixed price contract for the following contract line item description, quantity and unit of issue:

CLIN	Description	Quantity	Unit of Issue
0001	Vehicle Utility Trailer	1	Each

**All requirements must be met as stated in Attachment 1, "Specifications".**

VI. Contractor shall include delivery schedule information in their quote submittal. The total price must include all shipping and delivery costs. Delivery of items is no later than 60 days after date of award.

VII. FAR 52.212-2, Evaluation Commercial Items (Oct 2014). The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers:

- (1) Technical acceptability of the item offered to meet the Government requirement;
- (2) Price

The lowest priced quote will be evaluated for technical acceptability. If the lowest priced quote is

found technically acceptable, the award will be made without further consideration. If the lowest quote is deemed technically unacceptable, the next lowest quote will be evaluated for technical acceptability, and so on until an award can be made to the lowest priced technically acceptable offers.
